

Professional Handheld Sound System Microphone Rechargeable Endurance UHF Microphone System

Our Product Introduction

for more products please visit us on monitor-lift.com

Basic Information

- Place of Origin: China
- Brand Name: JUNNAN
- Certification: CCC
- Model Number: JN91753
- Minimum Order Quantity: 1
- Price: US\$ 290
- Delivery Time: 15
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 5-15 ≥6Communicative

Product Specification

- Rated Voltage: AC220V \pm 10% 50Hz
- Frequency Response: 20Hz-20KHz
- Output Impedance: REC: 200 Ω
- LINE: 200 Ω
- BALANCE: 300 Ω
- NOBALANCE: 400 Ω
- Signal To Noise Ratio: 78dB (1KHz THD1%) 19 "international Standard Rack
- Maximum Size: 485X220X50MM
- Net Weight: 3.2KG
- Type: Capacitive
- Highlight: Professional Sound System,
Handheld Sound System,
Rechargeable UHF Microphone System

Product Description

Professional Handheld Microphone Rechargeable Endurance UHF Microphone System

MC9170 Central Processing Unit

Built-in telephone coupling input and output ports for multi-party teleconferencing.

The control panel adopts LCD screen to display system settings and working status.

Multiple conference modes: "FIFO", "Limit Number", "Open All".

There is a limit switch for the number of microphones working at the same time, you can choose "1 microphone to speak", "6 microphones to speak at the same time" or all open microphones to speak at the same time.

Background tone adjustment, telephone input and total volume output adjuster.

Each system host can be connected to 90 microphone units (or 60 microphone units with speakers), divided into 3-way hand in hand parallel connection

Equipped with audio parallel output and 6.3 jack output interface

Dual-channel background music input interface, for the built-in speaker microphone to play conference background music

Conference process recording output interface

Adopt high efficient and stable digital power supply, more environmental protection, less bottom noise.

Our Advantages

The company has strong technical force, advanced production equipment and a group of professional and experienced staff. The products are not only powerful and high-quality, but also reasonably priced, which can make consumers feel the value for money.

Our equipment has CCC, CE, ROHS, ISO certification and other certifications, product safety and quality, with export qualifications.

We focus on innovation, continuous product and service development and innovation, to be able to provide customers with more competitive solutions to meet the growing needs of our customers.

We have established a sound after-sales service system, can respond to customer needs in a timely manner, to provide customers with comprehensive after-sales service and technical support, to maintain the interests of the customer and the user experience

MULTIFUNCTION Digital Conference System

Various conference modes

FAQ:

1.How long it takes you to provide the designing options for us?

Re:1-2days

2.How many years have your company made this kind of equipment?

Re:We have been producing lifting systems for 13 years

3.Do you provide free spare parts ?

Re:If your order is a bulk order, we will provide 1-2 sets of circuit board accessories for free

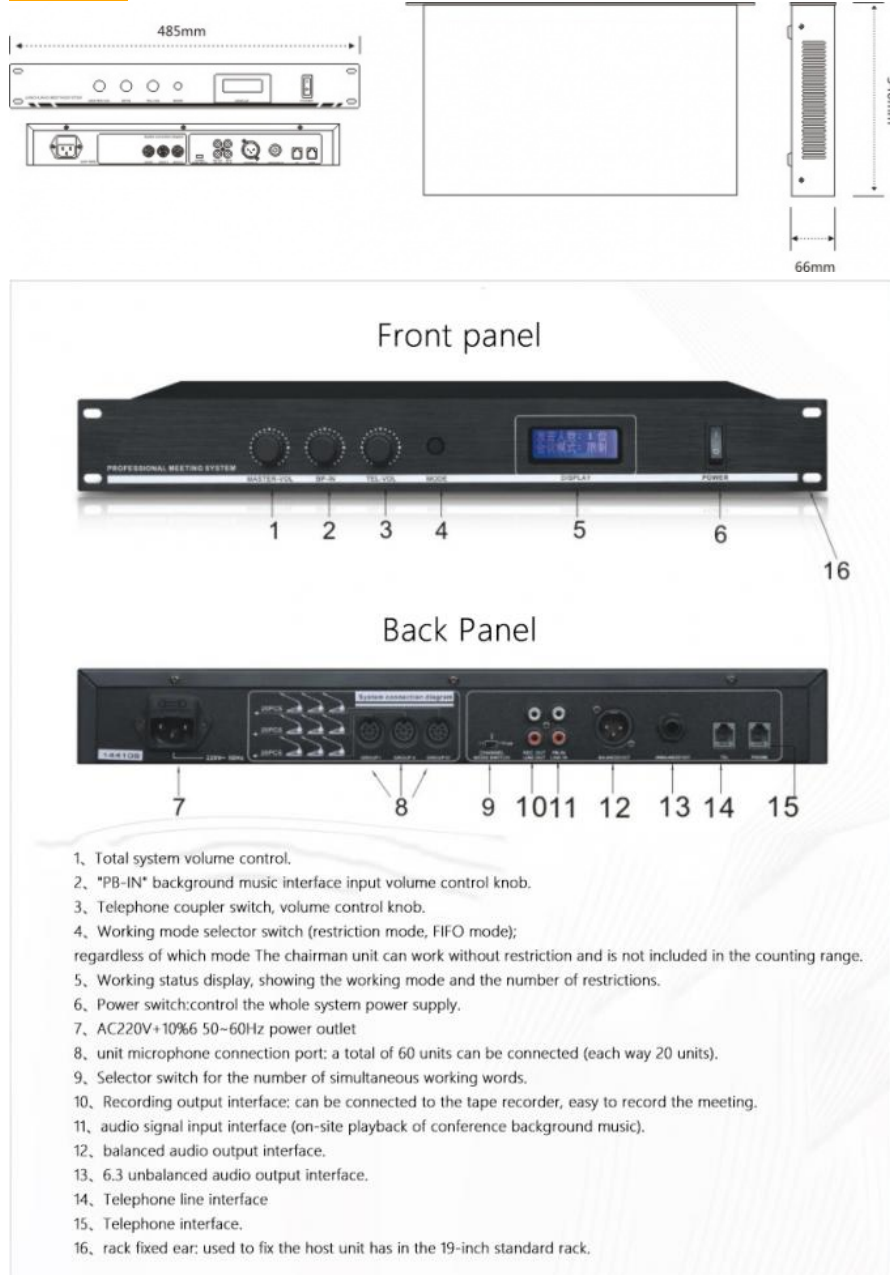

4.What is your term of payment?

Re:TT, Credit card ,online pay

5.Are you a trading company or a manufacturer?

Re:We are manufacturer

Parameters

rated voltage	AC220V±10% 50Hz
Frequency Response	20Hz-20KHz
Output impedance	REC:200Ω LINE:200Ω BALANCE:300Ω NOBALANCE:400Ω
Signal-to-noise ratio	78dB(1KHz THD1%)
Maximum size	485X220X50MM
Net weight	3.2KG
