## Product Description

### Pop-Up Socket Kitchen Smart Plug with USB and Wireless Charging Wifi Power Outlet

Smart Lift Socket is a smart home device with multiple functions and features. Smart Lift Socket is equipped with a push button or remote control function, which can conveniently control the lifting and lowering of the jack. The jack will automatically rise when it needs to be plugged in; after use, the jack can be automatically lowered to avoid dust accumulation and also provide a neater look for the desktop or floor.

#### Junnan Multi-function Socket parameters

Product Name	Junnan Lntelligent Pneumatic Lift Socket
