Product Description

Video Conference Camera Ceiling Hidden Motorized Lifting Bracket

The Camera Monopole Ceiling Concealment Hanger is a device specifically designed to conceal a camera while allowing the camera the flexibility to be raised and lowered when needed. The single rod internal alignment design ensures a neat and aesthetically pleasing line, while also increasing the durability and stability of the product. The simple and generous design of the hanger fits well into a variety of ceiling environments and is suitable for both domestic and commercial environments.
