| Installation Method        | Ceiling Hoisting                               |

### Junnan Ceiling TV flipper Advantages of the factory

High production efficiency, the factory adopts assembly line operation, mechanized production

Independent development and design team/support processing customization

We focus on innovation, continuous product and service development and innovation, to be able to provide customers with more competitive solutions to meet the growing needs of our customers.

The product adopts advanced technology application, humanized design, convenient operation mode

We have one-stop office furniture and equipment solutions for R&D, distribution, sales and related services, as well as Quality LCD Screen Lifter production lines, advanced LCD Screen Lifter CNC equipment, a strong design team and excellent after-sales service team.

Junnan ceiling TV flipper intelligent positioning remote control/center control/hand control, easy and convenient to operate. lifting and adjusting High degree of freedom and controllability, the hanger lifting and lowering distance can be freely adjusted. Stable Motor Control, Various Controls And Convenient Operation Built-In Low Noise, Stable And Silent Operation Concealed Installation Can Be Hidden In The Wall, Stylish, Beautiful And Space-Saving, We are advanced ceiling TV flipper, easy to maintain, available for wholesale purchase and private customization.

### Product Features

1. Frame structure, simple and easy to install
2. Adopting high quality AC speed reducer, long life and good stability.
3. Built-in integrated control board high reliability
4. Flip angle adjustable, sound performance is more perfect.

### FAQ

How many days you need to install the equipment?

Re:The installation time depends on the type and quantity of equipment. The fastest is 1 day, and the longest is three or four days.

Can I only buy some spare parts from you?

Re:sure

How do you pack the equipment?

Re:We have strict packaging for equipment with screens. We first fix the equipment with thick foam, then pack it in cartons, and then use wooden frames or wooden pallets for safe transportation.

Do you provide free spare parts ?

Re:If your order is a bulk order, we will provide 1-2 sets of circuit board accessories for free

How many years have your company made this kind of equipment?

Re:We have been producing lifting systems for 13 years
