

## Wireless Remote Control Sound System Stage Motorized Microphone Lifter Stand ROHS

Our Product Introduction

for more products please visit us on [monitor-lift.com](http://monitor-lift.com)

### Basic Information

- Place of Origin: China
- Brand Name: JUNNAN
- Certification: CCC,CE,ROHS,ISO
- Model Number: JN-M8/M12
- Minimum Order Quantity: 2
- Price: US\$ 280
- Packaging Details: 60CM\*60CM\*30CM
- Delivery Time: 16
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1-2 ≥3Communicative

### Product Specification

- Load Capacity: Above 15KG
- Color: Highlighted White
- Voltage: Using DC 24V
- Circuit Board: Equipped With Current Overload Protection
- The Limit Mode Is: Electronic Limit And Mechanical Limit Dual Protection
- Limit Accuracy: Within 1mm
- Remote Control: With Backlight Function And Powered By A No. 7 Battery
- Product Name: Microphone Lifting Hanger
- Highlight: **Wireless Sound System,  
Remote Control Sound System,  
Microphone Lifter ROHS**

## Product Description

Aluminum Alloy Conference Microphone Control 8/12m Ceiling Hanging Electric Microphone Lifting

Wireless Remote Control Stage Microphone Motorized Lifter Stand

Stage Mic Lifter is a kind of equipment specially used for stage performance or show, most of the Stage Mic Lifter supports remote control or center control, which is convenient for the operator to operate in any position on the stage.

junnan Stage Mic Lifter intelligent positioning remote control/center control/hand control, easy and convenient to operate. lifting and adjusting High degree of freedom and controllability, the Stage Mic Lifter lifting and lowering distance can be freely adjusted. Stable Motor Control, Various Controls And Convenient Operation Built-In Low Noise, Escalate Meeting, Simple and convenient wireless link, Create high-end and efficient Stage, Beautiful And Space-Saving, We are advanced Stage Mic Lifter, easy to maintain, available for wholesale purchase and private customization.

### Junnan Stage Mic Lifter parameters

|                     |  |
|---------------------|--|
| Stroke:             | 8 meters, 12 meters (models change accordingly)                |
| Power consumption:  | ≤40W (standby ≤0.5W)   |
| Motor :             | Dechang automobile motor (DC)                                  |
| Weight              | 8KG  |
| Positioning method  | Electronic positioning (with double protection)                |
| Color               | High-gloss white (other colors can be customized)              |
| Precision:          | 5mm expansion, ±1° left/right deflection                       |
| Remote control      | distance 50 meters (open)                                      |
| Adjustment          | range Angle adjustable ± 10 °, up and down adjustable silk rod |
| Control interface   | wireless remote control, keypad, RS232                         |
| Input voltage       | 100-240V~50/60Hz   |
| Dimension           | H355*W310*Th150mm  |
| Weight              | 10kg/11kg (net weight)   |
| Installation method | Ceiling hanging  |

### Junnan Stage Mic Lifter Advantages of the factory

The product adopts advanced technology application, humanized design, convenient operation mode

The products are not only powerful and high-quality, but also reasonably priced, which can make consumers feel the value for money.

Our equipment has CCC, CE, ROHS, ISO certification and other certifications, product safety and quality, with export qualifications.

We have a team of highly qualified, specialized staff with extensive industry experience and professional support to provide quality services and solutions to our clients.

The company has strong technical force, advanced production equipment and a group of professional and experienced staff.

# Microphone Lifting Hanger

Microphone Lift Ceiling Mount

In-Tube Wiring Harness

Quiet Lifting

Various Controls

Safety And Anti-Collision

Accurate Limit

Easy To Install

### **Junnan Stage Mic Lifter Product Features**

Built-in coiled wire, hidden alignment

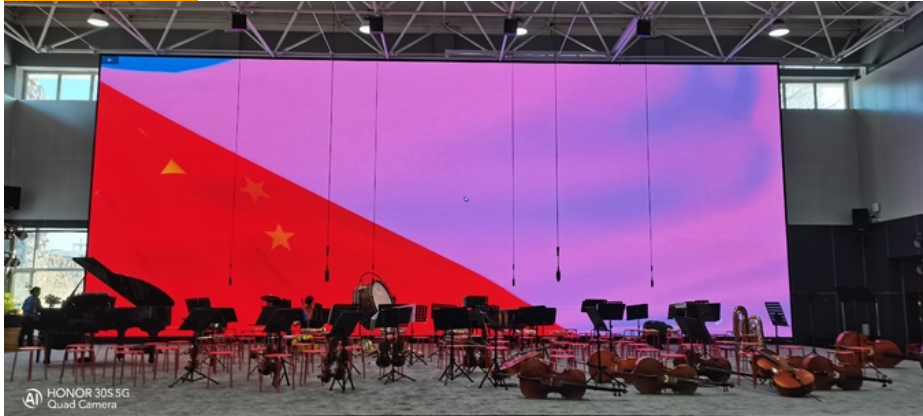

Adopting industrial-grade automobile motor with long life and good stability.

High reliability of the integrated control board using German technology.

Battery can be used for emergency lifting and lowering in case of power failure

Adjustable speed, smooth operation.

### **FAQ**

How do you pack the equipment?

Re: We have strict packaging for equipment with screens. We first fix the equipment with thick foam, then pack it in cartons, and then use wooden frames or wooden pallets for safe transportation.

Can you design the equipment according to our size?

Re: No problem, we support OEM

How many years have your company made this kind of equipment?

Re: We have been producing lifting systems for 13 years

How far is your factory from the airport?

Re: About 10KM

Where is your factory located?

Re: We are a conference system supplier located in Guangzhou
