## Product Description

### Lift Up Tv Mechanism, Automatic Electric Under Bed Tv Motorized Lift Stands

The TV motorized lifting stand is driven by a motor to realize the height adjustment of the TV set. Users can conveniently adjust the height of the TV set according to their needs by using the remote control or manual buttons to achieve the best viewing position. This kind of bracket is suitable for all sizes of TV sets, especially for home theater, conference room and other places where the height of the TV set needs to be adjusted frequently.
