

Paperless Conference System Equipped Ultrathin Flip Up Monitor Lift Hidden Desk Monitor Lift

Our Product Introduction

for more products please visit us on monitor-lift.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: JUNNAN
- Certification: CE,ROHS, ISO,CCC
- Model Number: JN-15.6F
- Minimum Order Quantity: 1
- Price: USD\$500
- Packaging Details: 68X48X20 cm
- Delivery Time: 8-15
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1-10 ≥11 Communicative

Product Specification

- Type: Audio Conference System, Network Conference System, Video Conference System
- Function: Voting
- Place Of Origin: Guangdong, China
- Simultaneous Interpretation: NO
- Brand Name: JUNNAN
- Model Number: JN-15.6F-CS
- Product Name: Ultra Thin Hidden Flip Monitor Lift
- Color: Black/Silver
- Certificate: CE ROHS
- Material: Aluminum Alloy
- Warranty: 1 Year
- Resolution HD: 1920*1080
- Control Way: Remote Control/Manual/RS232
- Panel Size: 15.6 inch

How many years have your company made this kind of equipment?

Re: We have been producing lifting systems for 13 years

Display brand:	BOE
Screen ratio:	16:9
Display backlight type:	LED

Our Product Introduction

Display resolution:	1920*1080 (full HD)
Viewing angle:	85/85/85/85(Typ.)(CR≥10)
Material:	high-grade all-aluminum wire drawing process
Control mode:	manual control, central control, remote control
Remote control distance:	50 meters
Working temperature:	0-70°C
Relative humidity:	not more than 80%(20+°C)

Guangzhou Junnan is a large-scale professional microphone lifter equipment and manufacturer in China. We specialize in the field of microphone lifter equipment for many years, the production of microphone lifter is mainly used for stage performances, KTV, speech, hosting and so on. The microphone lifter has a beautiful appearance, with the functions of receiving and releasing, driving the bottom noise, strong and weak power shunt, microphone automatic self-bridge and so on. Microphone lifter is famous for its high precision, stability and intelligent control, which is suitable for high-end conference and performance venues. Microphone lifters are unique in appearance design, can be integrated with different environment styles, and have high aesthetics. Our products cover most of the European and American markets. We are looking forward to being your long-term partner in China.

Microphone elevator speed adjustable, smooth operation, battery emergency elevation in case of power outage, comes with a hose to adjust the pointing at will. Meanwhile the chorus quality performance is good, built-in spool, hidden alignment, each microphone has a separate line. The panel comes with rise, fall, pause, microphone switch, can also be unified panel control. Adopt German technology to produce circuit integrated control board, high reliability. Adopt industrial grade automobile motor, long service life and good stability. Our advanced microphone lifters belong to the latest microphone lifters, which can be purchased wholesale or privately customized for customers. In addition, our Junan equipment has many certificates, such as CCC, CE certification, ROHS, ISO certification multiple choice certificate. Our products are safe and high quality, with export qualification, factory direct sale, favorable price, own factory, and have been in business for many years.
