

## Junnan Intelligent Pneumatic Lift Socket For Kitchen Appliances And Bluetooth Audio

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: JUNNAN
- Certification: CCC
- Model Number: JN-1502
- Minimum Order Quantity: 6
- Price: US\$ 35
- Packaging Details: 51CM\*48CM\*34.5CM/ Piece/Pieces
- Delivery Time: 20
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 50

### Product Specification

- Product Name: Power Socket
- Color: Silver Black
- Plug Type: Universal Multi-standard Socket
- Usage: HOME OFFICE HOTEL
- Voltage: 110~250V 50-60Hz
- USB Output: Customized
- Material: Aluminum Alloy
- Configuration: Module Combination
- Package: Carton
- Function: Multifunctional
- Highlight: Kitchen Appliances Pneumatic Lift Socket, Bluetooth Audio Pneumatic Lift Socket, Junnan Pneumatic Lift Socket

## Product Description

Guangzhou junnan is a professional China Multi-function Socket manufacturer. Fashion Multi-function Socket is mainly used in Kitchen Using The smart lift socket is very simple, just insert the power plug into the socket and turn the plug clockwise to secure it. After the power is used up, pull the plug lightly and firmly to pull it out. For ease of use, the jack can be lifted and lowered by pressing a button or remote control.

### junnan Multi-function Socket parameters

Product Name	Junnan Lntelligent Pneumatic Lift Socket
Rated Voltage	110V-220V~
Rated Current	10A
Rated Frequency	50-60Hz
Countertop Opening	φ120mm
Product Full Length	266.6mm
Lifting Way	Electric Lift
Product Color	Black , White
Bluetooth Audio	Customizable
Fully Raised Size	110.5mm*266.6mm*118.0mm
Completely Closure Size	114.9mm*168.7mm

### Our Advantages

We have advanced equipment and technical means in the field of technology, and we are able to provide customized solutions to meet the different needs of our customers.

The products are not only powerful and high-quality, but also reasonably priced, which can make consumers feel the value for money.

The company has advanced production lines, the factory covers an area of 5,000 square meters, building area of 3,000 square meters

Strict quality control ensures that products meet the highest quality standards.

The product adopts advanced technology application, humanized design, convenient operation mode

Junnan Multi-function Socket supports one-touch lift function. The center of the panel is used to lift, and multiple jacks are exposed for easy access to electricity. The socket is hidden under the desktop and takes up no space. Add anti-slip washers to prevent equipment from sliding. Our advanced multi-function socket belongs to the latest socket, is easy to maintain, and can be purchased wholesale or customized for customers. Moreover, our Junnan equipment has many certification authentications such as CCC, CE certification, ROHS, ISO certification, etc. The products are safe and high quality with export qualification, which are factory direct sales with favorable prices and have their own factories, which have been in business for many years.

# Press To Lift

Press The Center Of The Panel To Lift

Socket Raised

Multiple Jacks Are  
Exposed For Easy Get Electricity

Socket Retracted

The socket hides  
The Desktop And Takes Up No Space

## FAQ

1.How many years have your company made this kind of equipment?

Re:We have been producing lifting systems for 13 years

2.How do you pack the equipment?

Re:We have strict packaging for equipment with screens. We first fix the equipment with thick foam, then pack it in cartons, and then use wooden frames or wooden pallets for safe transportation.

3. Do you provide free spare parts ?

Re: If your order is a bulk order, we will provide 1-2 sets of circuit board accessories for free

4. Do you have any real project pictures of the equipment?

Re: Our pictures are all real cases and objects

5. Can I transfer the money to you then you pay to other supplier?

Re: No problem, I can do it for you
