Product Description

Office Furniture Recessed Power Strip Customizable Desktop Receptacle

175 Flip Socket This kind of socket usually integrates a variety of interfaces, such as power, network, video, audio, USB, etc., to meet the needs of different devices. The product is high-grade, generous and more practical, suitable for all kinds of high-grade meeting and office places. The socket can be perfectly mounted to the surface of the table, and the socket stays flush with the desktop after installation, which does not affect the flat beauty of the desktop, but also prevents dust.
