FAQ

How many days you need to install the equipment?

Re:The installation time depends on the type and quantity of equipment. The fastest is 1 day, and the longest is three or four days.

Can I transfer the money to you then you pay to other supplier?

Re:No problem, I can do it for you

Can you send your staff to install the equipment for us?

Re:We can send technicians to install it, but you need to pay the travel and labor costs.

Will you will attend the fair to show your products?

Re:We have participated in overseas furniture fairs, infocomm, index and other exhibitions

How do you pack the equipment?

Re:We have strict packaging for equipment with screens. We first fix the equipment with thick foam, then pack it in cartons, and then use wooden frames or wooden pallets for safe transportation.
